

Mission Shaped Intro is a six week course  
to help you rediscover mission  
and re-imagine the church

It is

- a whistle stop tour of the current thinking about mission in the 21<sup>st</sup> century
- about 'why' we need to change as the church
- about sharing lots of stories from around the country that show us what it looks like for some people

Mission Shaped Intro looks at  
fresh expressions of church  
through a mix of teaching, reflection and story.

It is an enjoyable hands-on experience  
combining presentations, group activity,  
film and music clips, worship and prayer.

Margaret Locke-Wheaton and Jacqui Horton  
are leading this course on six Monday mornings  
spread across April, May and June  
at St. Andrew's Methodist Church, Basingstoke.  
It is open to anyone who wants to know more  
about the changing culture of today's society  
and the responses needed to engage in mission  
in meaningful and relevant ways.
